Human Value Initiative, LLC is a professional consulting company that was founded in September, 2019.

Organizations invest in our expertise with HR Solutions, Inclusive Diversity and Equity, and Leadership

Development. Human Value Initiative works with you as a business thought leader and strategic thinking partner

to bridge organizational gaps. Human Value Initiative, LLC collaborates with businesses, individuals, and

organizations to assess, design, develop, implement, and measure results. We go beyond best practices with

analytics, creativity and innovation to bench mark, design, and refine processes that are people-centric and results driven.
